"TOWN AND COUNTRY" READY MIXED PAINTS

Your House Needs Painting Badly.

Not only because it looks dingy and rusty, but for the more important reason that it wants protection from the weather. With this Paint, FOR A SMALL SUM, you can protect and beautify your house, making it attractive and inviting.

The Town and Country Ready Mixed Paints are prepared from pure white lead, pure Oxide of Zinc, and the finest and strongest coloring material obtainable, mixed with prepared Linseed Oil, which dries with a gloss and durability unattainable by the same materials mixed in the ordinary manner.

Lead and Zinc, mixed in this way, are not affected by changes of temperature, will not crack, blister, peel, flake or chink, and will always dry with the highest possible polish. They are warranted to stand under all exposure, and will form a perfectly water-proof covering, very elastic and beautiful. They will work freely under the brush, and may be applied by the most inexperienced person when the directions are followed, though the employment of regular painters is advised when obtainable.

This Paint is always ready for use without the inconvenience or expense of any additional material.

One Gallon will Cover 200 to 250 Square Feet—Two Coats.

Call and get a circular giving all desired information in regard to the "TOWN AND COUNTRY" Ready Mixed Paints ONLY TO BE HAD AT THE "SIGN OF THE GOLDEN LION."

NEGROES TEARING UP THE TRACKS OF

RAILROADS.

Augusta, Sept. 18.—Mrs. A. Harley, of Aiken county, S. C., on Friday last was assaulted and knocked down two or three times by a couple of negroes. Her screams alarmed them and they fled. The citizens, however, arrested one of them and shot him, and a warrant was issued for the arrest of the other. The warrant was placed in the hands of a constable, who, with the aid of a posse of white men, attempted to make the arrest, which was resisted by a large crowd of negroes, about 200 in number, armed with shot-guns and Winchester rifles. On Sunday the excitement continued, both whites and blacks being fully armed and watching each other. Toward night a compromise was agreed to, both parties agreeing to disband and retire to their homes. The negroes agreed to surrender the colored man who made an assault on a lady, and deliver him over to the authorities at Aiken. With this understanding the whites dispersed, and while retiring to their homes, it is reported several of the latter were ambushed and shot by negroes.

The city is full of rumors as to the number killed, but there has been nothing definite ascertained.

Later—A passenger train from Augusta which left this morning at eight o'clock, has returned. Proceeding to Jackson station, the track was discovered to have been torn up, and the freight train, which left here at 6 o'clock this morning, was found wrecked and the negroes had possession of the road.

Superintendent Fleming, of the Port Royal road, has telegraphed the state of affairs to Gov. Chamberlain, asking for troops. He has also applied to Lieutenant Harshbarger, stationed at Hamburg for assistance.

A number of citizens have left for the scene of disturbance, which is about twenty miles from Augusta.

Later—The latest report from the scene of riot is that one man was wounded and six negroes killed.

DR. C. McLANE'S LIVER PILLS,

FOR THE CURE OF
Hepatitis or Liver Complaint,
DYSPEPSIA AND BILIOUS HEADACHE.

Symptoms of a Diseased Liver.

PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are constipated, sometimes alternating with laxity; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

For all bilious derangements, and as a simple purgative, they are unequalled.

Beware of Imitations.

The genuine DR. C. McLANE'S LIVER PILLS are never sugar coated. Every box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS.

The genuine McLANE'S LIVER PILLS bear the signatures of C. McLANE and FLEMING BROS. on the wrappers.

Insist on your druggist or storekeeper giving you the genuine DR. C. McLANE'S LIVER PILLS, prepared by Fleming Bros., Pittsburgh, Pa.

Sold by all respectable druggists and country storekeepers generally.

To those wishing to give Dr. C. McLANE'S LIVER PILLS a trial, we will mail post paid to any part of the United States, one box of Pills for twenty-five cents.
